

Parts of an Expression

For each expression: circle the variable, underline the coefficient.

1. **$8x + 5$**

variable: _____

coefficient: _____

2. **$2b + 3$**

variable: _____

coefficient: _____

3. **$5b + 4$**

variable: _____

coefficient: _____

4. **$4x + 12$**

variable: _____

coefficient: _____

5. **$2b + 11$**

variable: _____

coefficient: _____

6. **$4y + 7$**

variable: _____

coefficient: _____
