

Cause & Effect

Grade 3 Reading Comprehension Worksheet

Read each passage. Then answer the question.

Passage 1

The kitten chased a ball of yarn across the room. The yarn unrolled and tangled around the chair legs.

1. Why was yarn tangled around the chair legs?
 - a. The kitten chased the ball of yarn.
 - b. The room was messy.
 - c. The chair legs were wooden.

Passage 2

A cold wind blew through the open door all evening. By bedtime, the living room felt like an icebox.

2. Why was the living room so cold?
 - a. It was bedtime.
 - b. The family wore sweaters.
 - c. Cold wind blew through the open door.

Passage 3

The baby bird fell from its nest during the wind. Its mother stayed close and fed it worms on the ground until it could hop.

3. Why did the mother bird feed her baby on the ground?
 - a. The baby fell from its nest.
 - b. Worms are easy to find.
 - c. The baby could hop.
