

Compare & Contrast

Grade 3 Reading Comprehension Worksheet

Read each pair. Then answer the question.

Morning and Night

In the morning the sun rises and the sky grows light. Birds sing and people wake up to start the day.

At night the sun sets and the sky grows dark. Owls hoot and people go to sleep to rest.

1. How are morning and night alike?
 - a. Birds sing at both times.
 - b. People sleep at both times.
 - c. Both are times of day when the sky changes.

Horses and Zebras

Horses are strong animals that people ride. They live on farms and eat hay and grass.

Zebras look like horses with black and white stripes. They live wild in Africa and eat grass.

2. How are horses and zebras alike?
 - a. They are both hoofed animals that eat grass.
 - b. People ride both of them.
 - c. Both have stripes.

Camping and Hotels

When you camp, you sleep in a tent under the stars. You cook food over a fire and hear crickets at night.

When you stay at a hotel, you sleep in a soft bed indoors. You eat in a restaurant and watch TV in your room.

3. How are camping and hotels alike?
 - a. Both have soft beds.
 - b. They are both places to sleep away from home.
 - c. You sleep in a tent at both.
