

Worksheet Wonder

Compare with Charts

Grade 2 Comprehension Skills

Read about Summer and Winter. Fill in the chart.

Compare means how things are alike. Contrast means how they are different.

Summer

Summer is hot. The days are long.
Children swim in the pool. People eat ice cream to cool down.

Winter

Winter is cold. The days are short.
Children play in the snow. People drink hot cocoa to warm up.

How Summer is different	How they are the same	How Winter is different
