

Worksheet Wonder

Compare with Charts

Grade 3 Comprehension Skills

Read about An Apple and A Banana. Fill in the chart.

Compare means how things are alike. Contrast means how they are different.

An Apple

An apple is round and red. It grows on a tree. It is crunchy when you bite it. It has small brown seeds.

A Banana

A banana is long and yellow. It grows in bunches. It is soft when you bite it. It has tiny black seeds.

How Apple is different

How they are the same

How Banana is different

_____	_____	_____
