

The Old Oak Tree

Grade 3 Reading Comprehension Worksheet

Read the story, then answer the questions.

An old oak tree stood by the school.

Its branches gave shade on hot days.

Birds built nests in its leaves.

Squirrels hid acorns in its roots.

Kids read books under its branches.

The old oak was loved by all.

1. Who built nests in the oak's leaves?

2. What did the squirrels hide in the roots?

3. Where did the kids read books?

4. Why was the old oak loved by all?
