

A Trip to the Moon

Grade 3 Reading Comprehension Worksheet

Read the story, then answer the questions.

Ravi loves to read books about space every night.

One night he dreamed he was flying to the Moon.

His rocket was silver with a bright red door.

When he landed, the ground felt like soft powder.

He saw Earth shining like a blue marble in the sky.

Ravi planted a small flag with a big star on it.

Then he woke up just as the sun filled his room.

He smiled, for space adventures are the best kind of dreams.

1. Who dreamed of flying to the Moon?

2. What did Ravi plant on the Moon?

3. Where did Ravi see the Earth shining?

4. Why did Ravi smile at the end?
