

Holi Colors

Grade 3 Reading Comprehension Worksheet

Read the story, then answer the questions.

Holi is the festival of colors that comes in spring.

Arjun woke up early and filled his pockets with color powder.

His sister Meera hid behind the big mango tree.

Arjun found her and tossed pink powder into the air.

Soon everyone was laughing, covered from head to toe.

They sprayed water with pichkaris and ate sweet gujiya.

The whole street looked like a rainbow come to life.

Arjun and Meera hugged and wished everyone a happy Holi.

1. Who hid behind the big mango tree?

2. What did Arjun fill his pockets with?

3. Where did Meera hide from her brother?

4. Why did Arjun wake up early that morning?
