

The Mango Tree

Grade 3 Reading Comprehension Worksheet

Read the story, then answer the questions.

Behind their house stood an old mango tree.

Every summer, it grew heavy with sweet yellow mangoes.

Birds built tiny nests among its broad green leaves.

The children played hide and seek in its cool shade.

Grandmother made mango pickle that lasted all year.

Once a storm broke one branch, but the tree grew back.

The family loved the tree that fed them every summer.

1. Who built tiny nests in the mango tree?

2. What did Grandmother make from the mangoes?

3. Where did the old mango tree stand?

4. Why did the children play under the tree?
