

Cursive Passages

Grade 5 Cursive Worksheet

Trace the paragraph. Then copy it on the lines.

The first step in writing cursive is to learn the basic strokes. These strokes are the building blocks of all cursive letters.

Once you have learned the basic strokes, you can begin to write cursive letters. The first letter to learn is the capital letter 'C'.

After you have learned the capital letter 'C', you can learn the lowercase letter 'c'. This letter is written with a single stroke.
