The Two Frogs and the Lily Pad

Two frogs, Flip and Flop, lived in the same pond. One sunny day, they both spotted the biggest, greenest lily pad. "It is mine!" croaked Flip. "No, it is mine!" croaked Flop. They pushed and splashed and argued all afternoon. At last, with one big shove, the lily pad tore in half and sank. Both frogs stared at the muddy water. A wise old fish swam by and said, "If you had shared it, you would both be sitting in the sun."
