

Main Idea & Details

Grade 3 Reading Comprehension Worksheet

Paragraph 1

Snow is made of tiny ice crystals. Each snowflake has six arms. No two snowflakes look exactly alike. Snow falls when clouds get very cold. A blanket of snow keeps plants warm. Snow turns the world quiet and white.

1. What is the main idea of this paragraph?

- a. Snow is cold.
- b. Snow is made of unique ice crystals that blanket the earth.
- c. Kids like snow days.

2. Which detail supports the main idea?

Paragraph 2

The farmers market is busy on Saturdays. Farmers sell fresh fruits and vegetables. Bakers bring warm bread and pies. Flowers fill the air with sweet smells. Shoppers chat and taste samples. Buying local food helps nearby farms.

3. What is the main idea of this paragraph?

- a. Apples are red.
- b. Saturdays are fun.
- c. Farmers markets sell fresh local goods.

4. Which detail supports the main idea?
