

Main Idea & Details

Grade 3 Reading Comprehension Worksheet

Paragraph 1

Penguins cannot fly, but they are great swimmers. Their wings work like flippers. Their feathers keep them warm in icy water. Penguins dive deep to catch fish. They waddle on land but glide in the sea. Swimming is how penguins get their food.

1. What is the main idea of this paragraph?
 - a. Penguins live at the zoo.
 - b. Penguins like snow.
 - c. Penguins are built for swimming, not flying.

2. Which detail supports the main idea?

Paragraph 2

Making pizza is fun and easy. First, you spread the dough flat. Next, you spoon on red sauce. Then you sprinkle cheese on top. Last, you add your favorite toppings. After baking, the pizza is hot and melty.

3. What is the main idea of this paragraph?
 - a. Cheese is the best topping.
 - b. Pizza comes from Italy.
 - c. Pizza is made in simple steps.

4. Which detail supports the main idea?
