

Match the Map Key

Grade 4 Geography Worksheet

A map key tells what each symbol means. Look at each symbol, then write its number on the line beside the matching meaning.

A. _____ A place where sick people get help

B. _____ A path for walking in nature

C. _____ A place with trees and grass to play

D. _____ The most important city

E. _____ Water that flows across the land

F. _____ A building where children learn

A map without a key is like a book without words!
