

The Compass Rose

Grade 4 Geography Worksheet

A compass rose shows the directions on a map. Write the correct letter in each blank box: N, S, E or W.

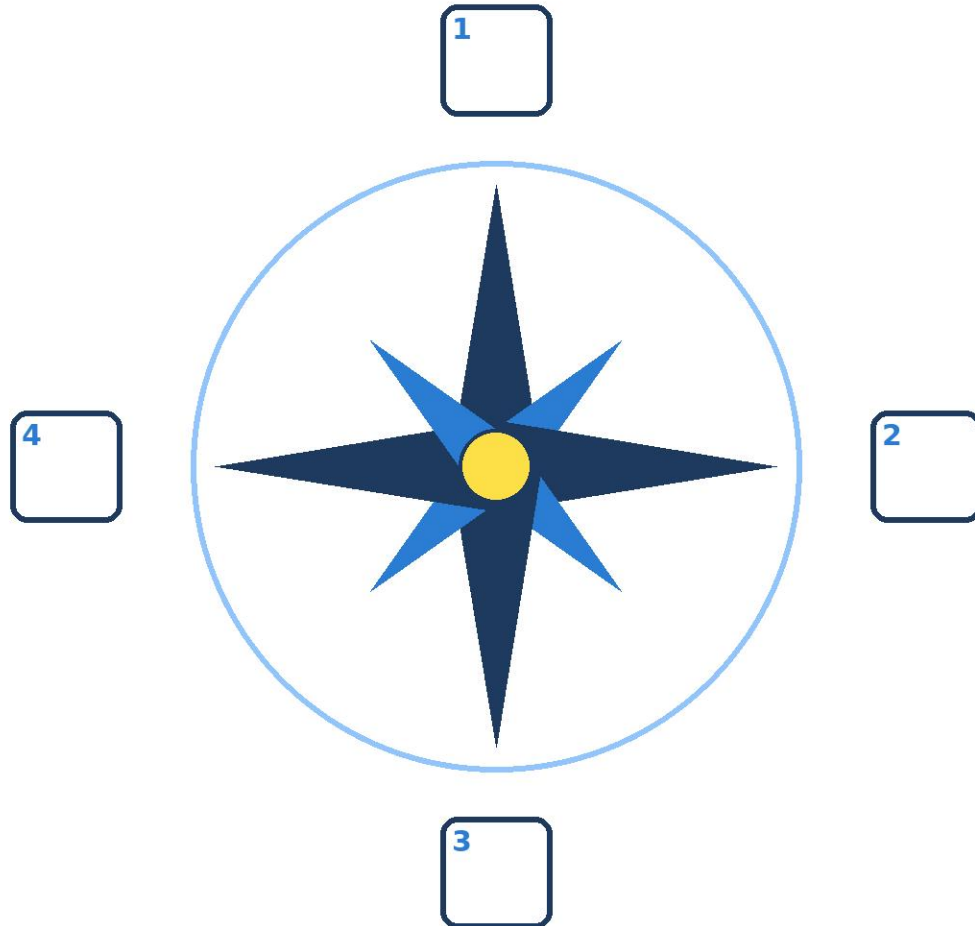

Letter bank:

N

S

E

W

1. Which direction is at the top of most maps? _____
2. Write the four directions in order, clockwise from north:
N → _____ → _____ → _____
3. The opposite of north is _____. The opposite of east is _____.

Which Direction?

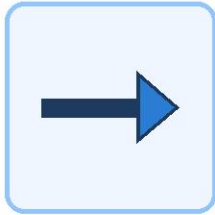

Grade 4 Geography Worksheet

Each arrow points in a direction. Write the direction word on the line next to it.

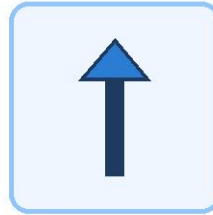

Word bank

north northeast east southeast south southwest west northwest

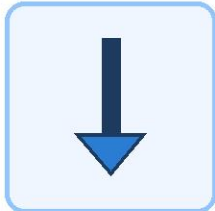

1.

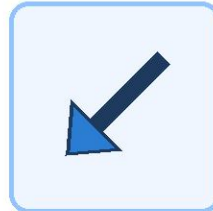

5.

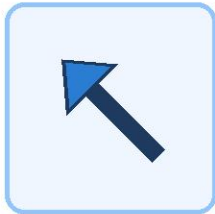

2.

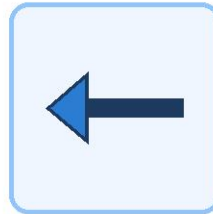

6.

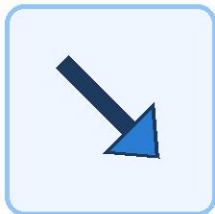

3.

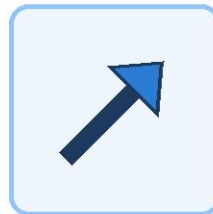

7.

4.

8.

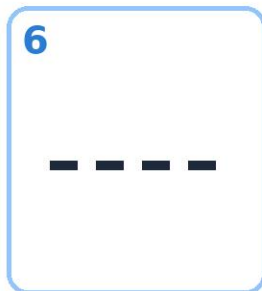

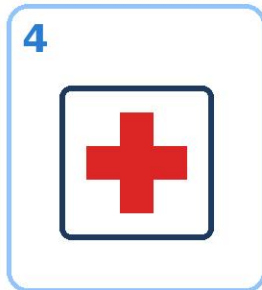

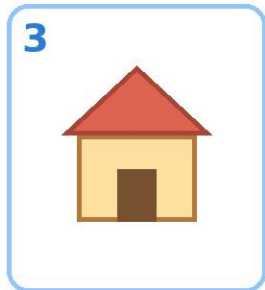

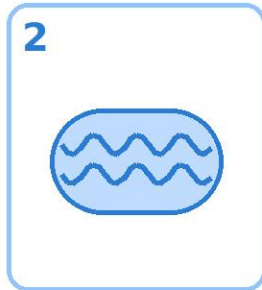

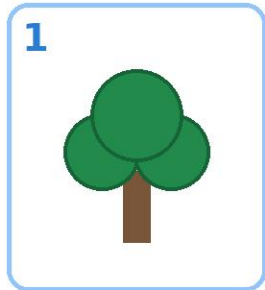

Tip: North is up, south is down, east is right and west is left.

Match the Map Key

Grade 4 Geography Worksheet

A map key tells what each symbol means. Look at each symbol, then write its number on the line beside the matching meaning.

A. _____ A place where sick people get help

B. _____ A path for walking in nature

C. _____ A place with trees and grass to play

D. _____ The most important city

E. _____ Water that flows across the land

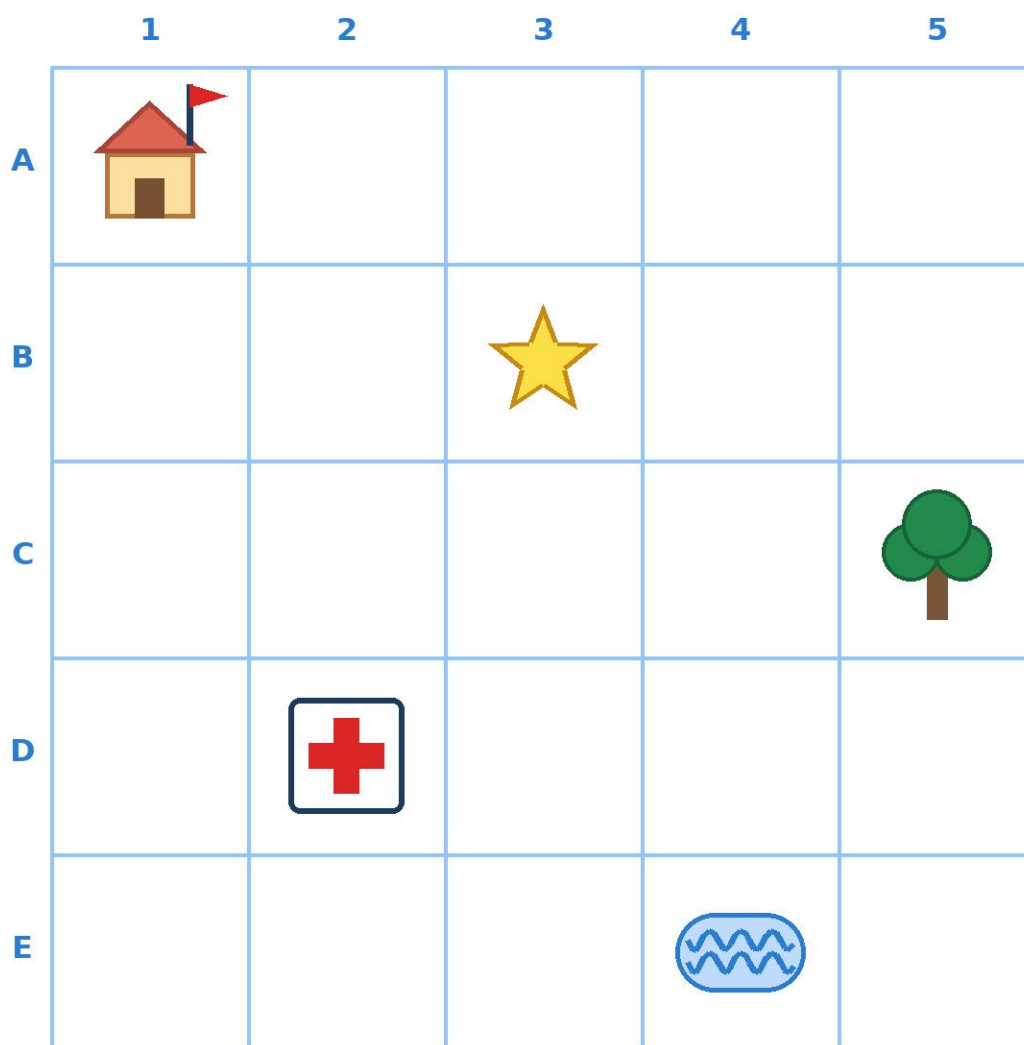

F. _____ A building where children learn

A map without a key is like a book without words!

Grid Treasure Hunt 1

Grade 4 Geography Worksheet

Maps use grids to find places. Rows are letters A-E and columns are numbers 1-5. Study the map, then answer the questions.

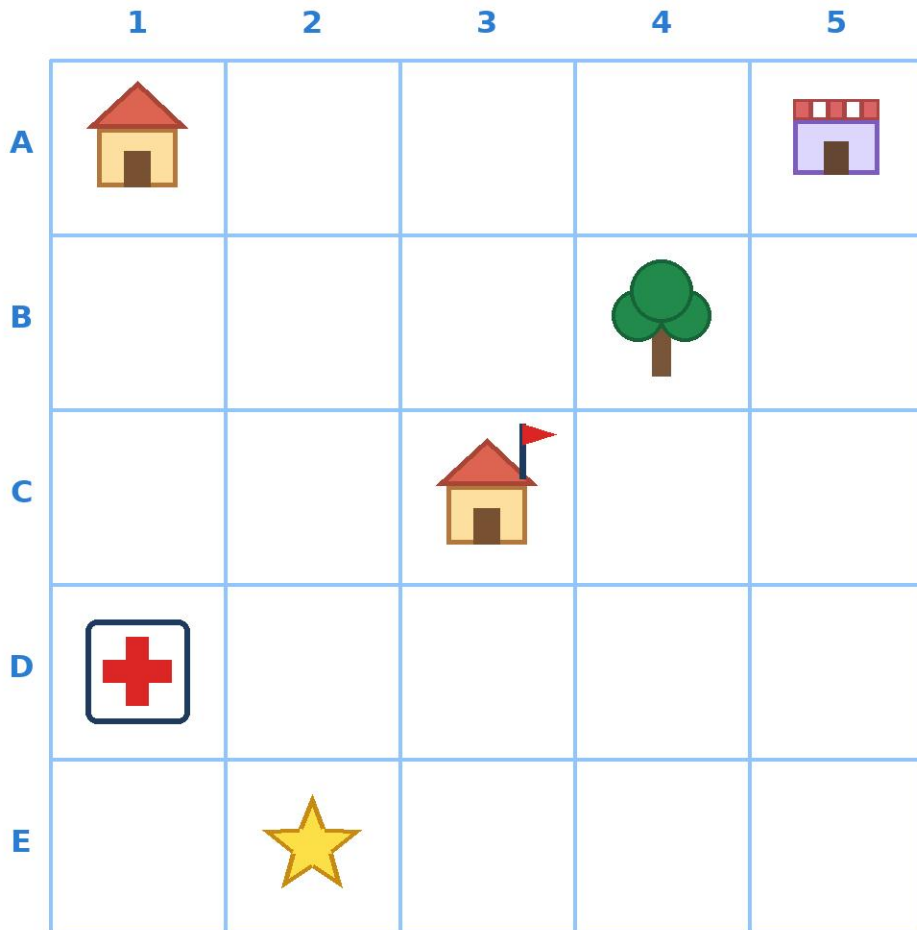

1. What picture is at B3? _____
2. Which square is the school in? _____
3. What picture is at D2? _____
4. Which square is the park (tree) in? _____

Follow the Route

Grade 4 Geography Worksheet

Follow each set of steps on the map. Draw the path with your pencil and answer the question.

Route 1: Start at the school (C3). Go 2 squares north, then 1 square east.
Draw the path. Which square did you land on? _____

Route 2: Start at the hospital (D1). Go 1 square north, then 2 squares east.
Draw the path. What building did you find? _____

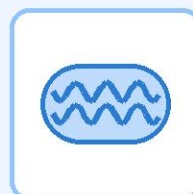

Route 3: Start at the park tree (B4). Go 2 squares south, then 1 square west.
Draw the path. Which square did you land on? _____

Circle the Map Symbol

Grade 4 Geography Worksheet

Read each word, then circle the symbol that matches it.

1. river

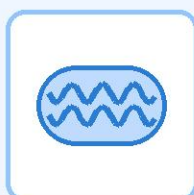

2. school

3. hospital

4. park

Circle the symbol that matches the word. Look carefully!

Map True or False

Grade 4 Geography Worksheet

Read each sentence. Circle T if it is true. Circle F if it is false.

1. A map key explains what the symbols on a map mean.

☐ T ☐ F

2. On most maps, south is at the top.

☐ T ☐ F

3. A compass rose shows directions like north and east.

☐ T ☐ F

4. A symbol is a small picture that stands for something real.

☐ T ☐ F

5. A map scale helps you measure real distances.

☐ T ☐ F

6. A grid on a map makes it harder to find places.

☐ T ☐ F

7. The star on a map always marks a pizza shop.

☐ T ☐ F

8. North, south, east and west are called cardinal directions.

☐ T ☐ F

Draw the Route

Grade 4 Geography Worksheet

Read the directions under each map. Draw the path from start to finish with your pencil.

Map A

	1	2	3	4	5	6
A						
B						
C						
D						
E						
F						

Route A: Start at the school (A1). Go 5 squares east, then 5 squares south. Draw the path to the park.

Map B

	1	2	3	4	5	6
A						
B						
C						
D						
E						
F						

Route B: Start at the hospital (A6). Go 5 squares south, then 5 squares west. Draw the path to the treasure.

1. Which square is the park in? _____

2. Which square is the treasure in? _____

3. Bonus: On Map A, draw a small star in square D3.

Match the Map Words

Grade 4 Geography Worksheet

Match each map word to its meaning. Write the word's number on the line beside the matching meaning.

1

legend

2

compass rose

3

symbol

4

scale

5

key

6

grid

- A. _____ Shows the directions: north, south, east and west.
- B. _____ Shows how map distances compare to real distances.
- C. _____ Tells what each symbol on a map means.
- D. _____ Squares made by lines that help you find places.
- E. _____ A small picture that stands for something real.
- F. _____ Tells what the colors and patterns on a map stand for.

Word power: great map readers know these words by heart!

Treasure Hunt 2

Grade 4 Geography Worksheet

Three treasure hunts! Follow the steps on the map, draw each path, and write what you found.

	1	2	3	4	5	6
A						
B						
C						
D						
E						
F						

Hunt 1: Start at the school (A1). Go east 2 squares, then south 2 squares.

Draw the path. What treasure did you find? _____

Hunt 2: Start at the hospital (B6). Go west 3 squares, then south 3 squares.

Draw the path. What did you find? _____

Hunt 3: Start at the house (F1). Go north 4 squares, then east 4 squares.

Draw the path. What did you find? _____
