

The Compass Rose: Set 2

Grade 4 Geography Worksheet

A compass rose shows the directions on a map. Write the correct letter in each blank box: N, S, E or W.

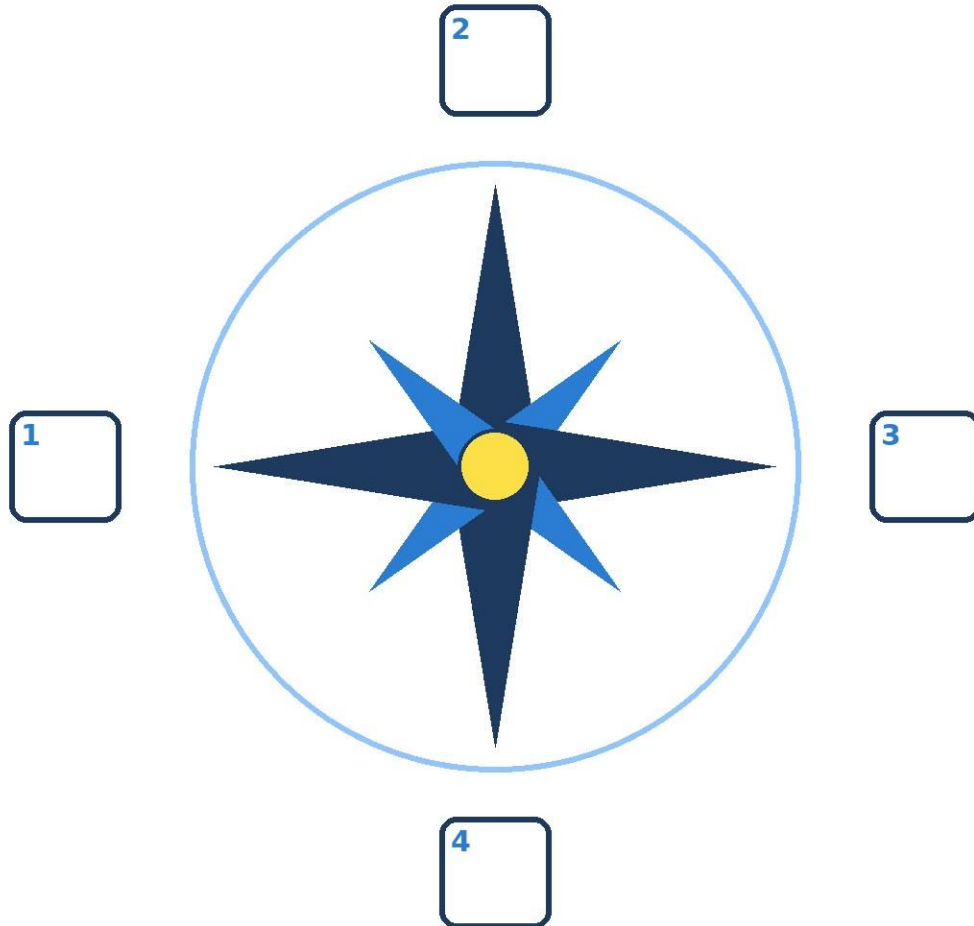

Letter bank:

N

S

E

W

1. Which direction is at the top of most maps? _____
2. Write the four directions in order, clockwise from north:
N → _____ → _____ → _____
3. The opposite of north is _____. The opposite of east is _____.

Which Direction?: Set 2

Grade 4 Geography Worksheet

Each arrow points in a direction. Write the direction word on the line next to it.

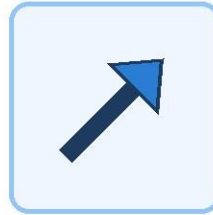

Word bank

north northeast east southeast south southwest west northwest

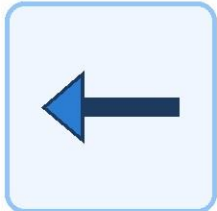

1.

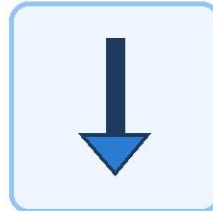

5.

2.

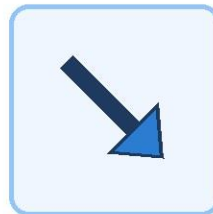

6.

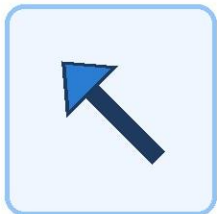

3.

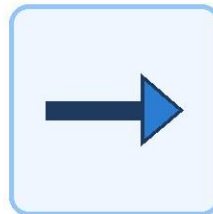

7.

4.

8.

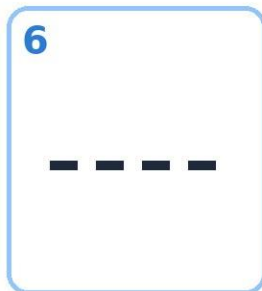

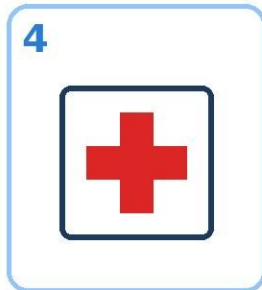

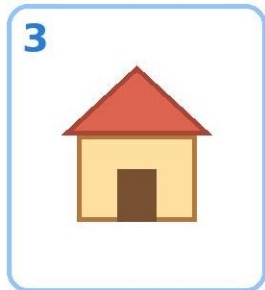

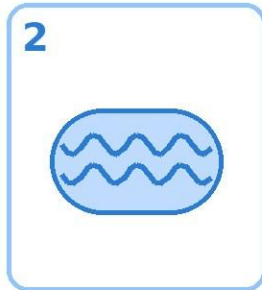

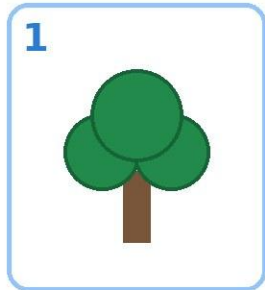

Tip: North is up, south is down, east is right and west is left.

Match the Map Key: Set 2

Grade 4 Geography Worksheet

A map key tells what each symbol means. Look at each symbol, then write its number on the line beside the matching meaning.

A. _____ Water that flows across the land

B. _____ A path for walking in nature

C. _____ A building where children learn

D. _____ A place where sick people get help

E. _____ A place with trees and grass to play

F. _____ The most important city

A map without a key is like a book without words!

Grid Treasure Hunt 1: Set 2

Grade 4 Geography Worksheet

Maps use grids to find places. Rows are letters A-E and columns are numbers 1-5. Study the map, then answer the questions.

	1	2	3	4	5
A					
B					
C					
D					
E					

1. What picture is at C5? _____
2. Which square is the hospital in? _____
3. What picture is at D4? _____
4. Which square is the park tree in? _____

Follow the Route: Set 2

Grade 4 Geography Worksheet

Follow each set of steps on the map. Draw the path with your pencil and answer the question.

Route 1: Start at the house (A1). Go 1 square east, then 2 squares south.
Draw the path. Which square did you land on? _____

Route 2: Start at the school (C3). Go 1 square east, then 2 squares west.
Draw the path. Which square did you land on? _____

Route 3: Start at the store (A5). Go 1 square west, then 2 squares south.
Draw the path. Which square did you land on? _____

Circle the Map Symbol: Set 2

Grade 4 Geography Worksheet

Read each word, then circle the symbol that matches it.

1. river

2. school

3. hospital

4. park

Circle the symbol that matches the word. Look carefully!

Map True or False: Set 2

Grade 4 Geography Worksheet

Read each sentence. Circle T if it is true. Circle F if it is false.

1. A compass rose shows directions like north and east.

☐ T ☐ F

2. A map key explains what the symbols on a map mean.

☐ T ☐ F

3. A map scale helps you measure real distances.

☐ T ☐ F

4. North, south, east and west are called cardinal directions.

☐ T ☐ F

5. On most maps, south is at the top.

☐ T ☐ F

6. The star on a map always marks a pizza shop.

☐ T ☐ F

7. A grid on a map makes it harder to find places.

☐ T ☐ F

8. A symbol is a small picture that stands for something real.

☐ T ☐ F

Draw the Route: Set 2

Grade 4 Geography Worksheet

Read the directions under each map. Draw the path from start to finish with your pencil.

Map A

	1	2	3	4	5	6
A						
B						
C						
D						
E						
F						

Route A: Start at the school (A1). Go 1 square east, then 5 squares south. Draw the path to the park.

Map B

	1	2	3	4	5	6
A						
B						
C						
D						
E						
F						

Route B: Start at the hospital (A6). Go 5 squares south, then 1 squares west. Draw the path to the treasure.

1. Which square is the park in? _____

2. Which square is the treasure in? _____

3. Bonus: On Map A, draw a small star in square A2.

Match the Map Words: Set 2

Grade 4 Geography Worksheet

Match each map word to its meaning. Write the word's number on the line beside the matching meaning.

1

legend

2

compass rose

3

symbol

4

scale

5

key

6

grid

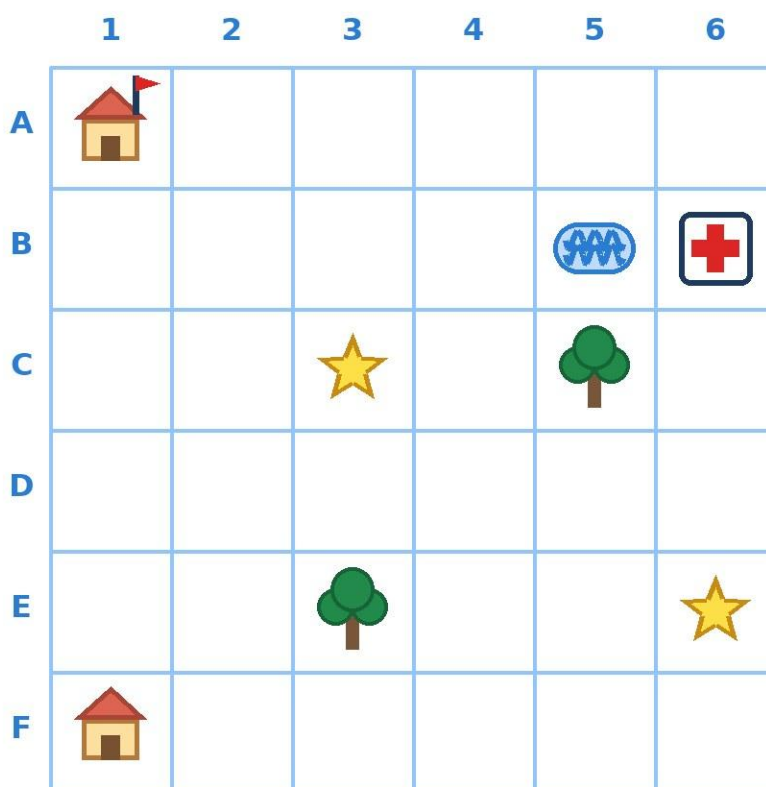

- A.** _____ Tells what the colors and patterns on a map stand for.
- B.** _____ Shows how map distances compare to real distances.
- C.** _____ A small picture that stands for something real.
- D.** _____ Squares made by lines that help you find places.
- E.** _____ Tells what each symbol on a map means.
- F.** _____ Shows the directions: north, south, east and west.

Word power: great map readers know these words by heart!

Treasure Hunt 2: Set 2

Grade 4 Geography Worksheet

Three treasure hunts! Follow the steps on the map, draw each path, and write what you found.

Hunt 1: Start at the school (A1). Go south 2 squares, then east 2 squares.

Draw the path. What did you find? _____

Hunt 2: Start at the hospital (B6). Go south 3 squares, then west 3 squares.

Draw the path. What did you find? _____

Hunt 3: Start at the river (B5). Go east 3 squares, then west 3 squares.

Draw the path. What did you find? _____
