## Grade 2 Reading Comprehension Worksheet

Read each story beginning. Choose what will most likely happen next.

### Story 1

The lost puppy followed Mia all the way home, wagging its tail. It had a collar but no name tag.

1. What will most likely happen next?
  - a. Mia will try to find the puppy's owner.
  - b. Mia will leave the puppy outside.
  - c. The puppy will fly home.

### Story 2

Ben studied his spelling words every night. On Friday, the teacher handed out the test papers.

2. What will most likely happen next?
  - a. Ben will skip the test.
  - b. Ben will forget every word.
  - c. Ben will do well on the spelling test.

### Story 3

The class planted bean seeds in cups by the sunny window. By Monday, roots were poking out of the seeds.

3. What will most likely happen next?
  - a. The beans will stop growing forever.
  - b. The beans will turn into rocks.
  - c. The beans will keep growing into plants.
