Grade 2 Reading Comprehension Worksheet

Read each story beginning. Choose what will most likely happen next.

Story 1

Ava heard a strange scratching at the back door. When she opened it, a tiny wet kitten looked up at her and meowed.

1. What will most likely happen next?
 - a. Ava will close the door and forget it.
 - b. Ava will bring the kitten inside and dry it off.
 - c. The kitten will open the door itself.

Story 2

The soccer team practiced every day after school. On Saturday they played the championship game and scored first.

2. What will most likely happen next?
 - a. The team will stop playing at halftime.
 - b. The other team will forfeit.
 - c. The team has a good chance to win the game.

Story 3

Grandpa gave Leo a small box and said, "Open it on your birthday." Leo shook the box gently and heard something rattle.

3. What will most likely happen next?
 - a. Leo will throw the box away.
 - b. Leo will wait until his birthday to open it.
 - c. Leo will open it right now in front of Grandpa.
