Grade 2 Reading Comprehension Worksheet

Read each story beginning. Choose what will most likely happen next.

Story 1

Jake's bike tire was flat. Dad took out the pump and a patch kit from the garage.

1. What will most likely happen next?
 - a. Dad will fix the flat tire.
 - b. Dad will buy a new car.
 - c. Jake will walk forever.

Story 2

The seeds in the bird feeder were almost gone. Dad bought a big new bag of seed at the store.

2. What will most likely happen next?
 - a. Dad will throw the bag away.
 - b. Dad will refill the bird feeder.
 - c. The birds will leave forever.

Story 3

Sara's plant was drooping and the soil was dry. She filled the watering can at the sink.

3. What will most likely happen next?
 - a. Sara will throw the plant away.
 - b. The plant will water itself.
 - c. Sara will water her plant.
