

# Steps & Your Own Examples

## Grade 2 Comprehension Skills

Write each number in the right column. Then add your own!

A fact can be proven true. An opinion is what someone thinks or feels.

### Fact or Opinion

- |                                 |                                 |
|---------------------------------|---------------------------------|
| 1. Dogs have four legs.         | 2. Ice cream is the best treat. |
| 3. Dogs are more fun than cats. | 4. Ice cream is cold.           |
| 5. A week has seven days.       | 6. Blue is the prettiest color. |
| 7. Saturday is the best day.    | 8. The sky is blue.             |

#### A = FACT

---

---

---

---

#### B = OPINION

---

---

---

---

Now write two of your own:

---

---
