

Steps & Your Own Examples

Grade 1 Comprehension Skills

Write each number in the right column. Then add your own!

Fruits have seeds. Vegetables are roots, stems, or leaves we eat.

Fruit or Vegetable

1. carrot

2. grapes

3. pumpkin

4. orange

5. potato

6. corn

7. apple

8. banana

A = FRUIT

B = VEGETABLE

Now write two of your own:
