

Round the Underlined Digit

Grade 3 Rounding Worksheet

Round each number to the underlined digit.

Round **3,789** = _____

Round **8,975** = _____

Round **2,760** = _____

Round **1,152** = _____

Round **7,597** = _____

Round **1,084** = _____

Round the Underlined Digit

Grade 4 Rounding Worksheet

Round each number to the underlined digit.

Round **302,367** = _____

Round **906,736** = _____

Round **824,637** = _____

Round **468,715** = _____

Round **615,584** = _____

Round **898,824** = _____

Round the Underlined Digit

Grade 5 Rounding Worksheet

Round each number to the underlined digit.

Round **190,013** = _____

Round **9,186,155** = _____

Round **6,284,499** = _____

Round **9,577,425** = _____

Round **6,617,479** = _____

Round **9,301,857** = _____

Round the Underlined Digit

Grade 3 Rounding Worksheet

Round each number to the underlined digit.

Round **8,430** = _____

Round **4,911** = _____

Round **4,678** = _____

Round **6,092** = _____

Round **3,994** = _____

Round **9,118** = _____

Round the Underlined Digit

Grade 4 Rounding Worksheet

Round each number to the underlined digit.

Round **144,829** = _____

Round **565,520** = _____

Round **761,986** = _____

Round **393,187** = _____

Round **834,328** = _____

Round **731,265** = _____

Round the Underlined Digit

Grade 5 Rounding Worksheet

Round each number to the underlined digit.

Round **641,714** = _____

Round **6,031,846** = _____

Round **3,285,933** = _____

Round **7,312,613** = _____

Round **8,162,362** = _____

Round **5,879,004** = _____

Round the Underlined Digit

Grade 3 Rounding Worksheet

Round each number to the underlined digit.

Round **993** = _____

Round **2,448** = _____

Round **3,798** = _____

Round **4,051** = _____

Round **5,506** = _____

Round **5,129** = _____

Round the Underlined Digit

Grade 4 Rounding Worksheet

Round each number to the underlined digit.

Round **579,501** = _____

Round **954,825** = _____

Round **185,066** = _____

Round **76,855** = _____

Round **106,430** = _____

Round **18,046** = _____

Round the Underlined Digit

Grade 5 Rounding Worksheet

Round each number to the underlined digit.

Round **7,934,523** = _____

Round **5,309,446** = _____

Round **2,471,347** = _____

Round **7,814,182** = _____

Round **579,274** = _____

Round **8,104,653** = _____

Round the Underlined Digit

Grade 3 Rounding Worksheet

Round each number to the underlined digit.

Round **6,724** = _____

Round **1,908** = _____

Round **718** = _____

Round **1,160** = _____

Round **3,077** = _____

Round **7,527** = _____
