

Feelings Stories

Kindergarten Social & Emotional Worksheet

Read the story. Talk about the feelings.

The Angry Moment

angry

Rohan was building a tall block tower when his little sister knocked it down. CRASH! Rohan felt angry. He took three deep breaths and counted to ten. Then he said calmly, 'Please be careful.' They built an even taller tower together.

1. What happened to the tower?

2. How did Rohan feel? Circle.

angry

scared

happy

3. What can you do when you feel angry?
