Benny's Broken Bike

Benny loved his blue bike. One morning, he found that the front tire was flat. He could not ride to his friend's house. Benny felt upset. Then he had an idea. He asked his dad for help. Dad showed him how to find the hole and patch the tire. Benny held the tools while Dad worked. Soon the tire was full of air again. Benny rode his bike with a big smile. He was proud that he had helped fix it.
