Grandpa's Garden

Every spring, Tara helped her grandpa in his garden. They dug holes and dropped in tiny seeds. Grandpa showed Tara a wiggly earthworm. "Worms help the soil," he said. Tara watered the plants every day. Soon, green shoots came up. By summer, red tomatoes hung from the vines. Tara picked one and took a big bite. "The best tomato ever!" she said.

1. What did Grandpa show Tara in the soil?

- a. A wiggly earthworm
- b. A small frog
- c. A shiny rock

2. What did Tara do every day?

- a. Picked tomatoes
