The worksheet contains four identical dot-to-dot star patterns, each labeled with a number from 1 to 4. Each pattern consists of 12 blue dots arranged in a star shape. The dots are numbered 1 through 6, with each number appearing twice. The numbers are placed next to the dots: 1 and 6 are at the top and bottom points, 2 and 5 are on the inner points, and 3 and 4 are on the outer points. The patterns are arranged in two rows of two.
